In 22/3/48 Rs 22 3 48

12) The Mlty has proposed to appoint a cashier on Rs 40 — 2 — 50 for this office for the following reasons —

a) that the cash transactions amount to Rs 3,000 per month

b) that the cashier being handled by two offrs viz the Head clerk and the Licensing clerk who have each pressed a security of Rs 100 now respectively

and that the handling of each by
two persons as required by the enactment
and hampers the free flow of the land market
(c) that the cash transactions have also
increased greatly owing to the registration
of food handlers who number about
3000 in the city

13 A statement showing the distribution of work
among the several officers of the Health Office
is appended It will be seen therefrom
that the statistical clerk & the land clerk
cannot be said to have sufficient work since
the former may as well be entrusted with the
work of the latter

14 It is not that I have reserved to appoint
a junior clerk on Rs 25-1-40 model
Cuttack since reports that the cash clerk
maybe appointed on Rs 40-2-50-3-80
except for the revised scale of pay approved

Sir,

Subject -APPOINTMENT OF A CASHIER TO THE HEALTH SECTION

I have the honour to state that the sanctioned establishment of the Health section of the Municipality consists of the marginally noted Ministerial staff The Health officer submitted a report that the cash

One Head clerk on 50-2-60	transactions of about R. 30000/- in a month is
One Accountant on 40-2-50	
1 Stenographer on 40-2-50	being handled by two clerks in the section viz
Licensing clerk - 25-1-40	
Statistics " - 25-1-40	the Head clerk and the Licensing clerk, both of
Registering " - 25-1-40	

whom are required to furnish security of Rs 100/- and 200/- respectively, and that the licensing clerk is actually doing the work of a receiving cashier and remits the amount to the Treasury in addition to his regular work, while the payments are all made by the head clerk This method of cash being handled by two persons is irregular and inconvenient and hampers the other work of the Head clerk and the Licensing clerk, with the result that other important works are in arrears The cash transactions also have increased recently owing to the registration of food handlers who number about 3000 in the city

The Health Committee who examined this question at their meeting held on 22-2-1947 with reference to the work distribution memo of the Health Office, redommended the appointment of a clerk as Cashier to the section in grade 25=1=40 to satisfactorily cope with the work The Council have also duly sanctioned this proposal at their meeting held on the 3rd March 1947

In enclosing the copies of the above resolutions, I request you kindly to obtain orders of Government for the above post with effect from 1st July 1947, as the necessaity of a cashier to the Health Section very urgent

Necessary provision has been made in the Budget

proposition statement is also enclosed in triplicate

Sir,

Subject - Employment of a separate cashier for the Health Section of the Mysore City Municipality

---

With reference to your letter No L 17039/18-6-47, on the above subject, I have the honour to enclose a statement of work that is being ~~attached~~ attended to at present by each clerk of the Health Section of the Municipality as desired It is ascertained that there is no separate cashier for the Health section in the Bangalore City Municipality This is due to the fact that moneys for licensing of trades etc , are being dealt with in the Revenue Section there whereas the work is being done in the Health section in this Municipality according to the Business Manual of this Municipality The necessity for a cash clerk has become all the more acute now owing to the introduction of the examination and registration of Food Handlers and the recovery of fees from them The Health Office is short handed and the work is very much hampered

In these circumstances, I request you kindly to obtain sanction of Government to the appointment of a cash clerk to the Health Section on Rs 40-2-50-3-80/- according to the revised scale approved by the Council The above post has also been included in the proposition statement recently submitted to Government in connection with the revision of the scale of pay of non-gazetted officers of the Municipality

revision of the scales of Municipal employees that against the existing 69 appointments, it is proposed to create 72 posts and that in the remarks' column it has been mentioned that the City Municipal Council has sanctioned the employment of one Accountant for the Health Section It is not clear whether the said post of the Accountant is in addition to the post of the Cashier referred to above or whether it is not sufficient to appoint a hand on Rs 40-2-50 or on a lesser pay

It is also seen from the statement showing the distribution of work among the several officials of the Health Office that the Statistical clerk and the General clerk cannot be said to have sufficient work and that the former may as well be entrusted with the work of the latter releasing one hand

It is also desirable possible to arrange for the cash work by suitable adjustment of the existing hands of the Health Section and entrust the cash work to one official alone

As whether the financial position of the Mysore City Municipality is unsatisfactory and in view of the imperative necessity to economise expenditure in all directions, especially under the head 'Establishment' the question may be examined further and the considered opinion of the Municipal Council in this behalf may be kindly furnished to Government at their
